Dear Ms. Green:

It is with heartfelt appreciation that we accept WB39 Cares for Kids' grant to Covenant House Texas. As outlined in our proposal, this \$15,000.00 gift will be used for our Mental Health and Substance Abuse Counseling programs.

Once we meet the immediate needs of the youth that seek our help, we move on to the bigger problems that brought them to us in the first place. Our staff design personalized counseling programs for each youth, to ensure that each of their issues are addressed. The majority of our residents participate in the Mental Health and Substance Abuse Counseling programs to varied extents, depending upon the need evidenced by the youth.

WB39 Cares for Kids' generous grant makes these vital programs possible. Thank you for the many ways in which you show our young people that you care.

Dear Yolanda:

We want to thank you, The Robert McCormick Tribune Foundation and WB39 Cares for Kids for the \$20,000 donation made to Kid-Care for the betterment of the children's lives in our community. Kid-Care is making a difference, but we have much to accomplish to achieve our objectives. Please know the gratitude we feel towards you for allowing us to progress towards our goal of making this a better world for our children in the community and beyond.

Thank you for your faith in us and we will certainly remember your kindness.

Dear Donor,

On behalf of the hundreds of youth and families that benefit from the Fort Bend YMCA's Partners of Youth campaign, I would like to thank you for your generous gift of \$15,000.00 to the 2002 Campaign. The Fort Bend YMCA is a 501(c)3 non-profit organization and all donations are tax deductible (Tax I.D. #74-1109737).

Thanks to the support of contributors like yourself, the Fort Bend YMCA will continue to have the ability to support hundreds of area youth, teens and families through membership, program, camping and child care scholarships. In addition, your contributions help the YMCA support valuable programs like our Teen Leadership and Teen Court programs, as well as our YMCA Outreach programs that provide recreational activities to low income areas that would not normally benefit from the YMCA.

Again, we thank you for your donation and support of the Fort Bend YMCA's 2002 Partners of Youth Campaign, and we hope you will continue to support our efforts into the future. If you would like to hear more about, or visit the programs of the Fort Bend YMCA's Partners of Youth Campaign, please feel free to contact me at any time.

Dear Yolanda:

I want to "thank you" for your assistance in promoting the Houston Area Urban League Career Connection '02 that was held at the George R. Brown Convention Center on February 27, 2002.

As a co-sponsor, I want you to know your support made a big difference in the lives of a lot of people in this city who were able to participate in this job fair. Your participation helped to get the message out in a big way and help to increase the community awareness of the opportunities that were available.

Your show is a powerful tool in reaching Houstonians. Thank you for using it to serve the community. You have been very kind to me, and I appreciate that. As I have said, when you need assistance, please call on me first.

Again, I want to say how much I appreciate you and look forward to working with you on future ventures.

Dear Tom:

What an honor – to first be selected as a partner agency for your Cares For Kids fund and receive significant funding, and then to be thanked and recognized for accepting this wonderful partnership opportunity! We at Child Advocates of Fort Bend County are truly grateful for your generous support over the past 3½ years.

The McCormick Tribune Foundation is uniquely remarkable in this creative endeavor, and your Community Relations Director, Yolanda Green, is one in a million. Her hands-on assistance as a participating member of our event committee is invaluable. Nothing has proven too menial for her to accomplish, even if it means vacuuming one of the tour homes! A special thank-you goes to Yolanda for her dedication to Child Advocates of Fort Bend County and the CASA Christmas Home Tour. It wouldn't be the same without her!

Our Board of Directors and staff members were thrilled and honored to accept your luncheon invitation and we thoroughly enjoyed our time spent in your studio with your representatives. The lunch was delicious, the company splendid and the recognition gift and tribute, wonderful. We plan to display the award prominently in our office lobby.

We are all looking forward to another exciting year of partnership with WB39 Cares For Kids and the McCormick Tribune Foundation, and hope this will become an ongoing tradition for our two organizations. Thank you again!

Yolanda Green Host, Outlook Houston KHWB - TV 39 7700 Westpark Houston, TX 77063

Dear Yolanda,

I read a statement once that said, "Friends are the sunshine of life." I can think of no words that are more fitting to describe what you have been to the cause of Star of Hope. It is through friends like you that our work and mission are fulfilled in the lives of Houston's homeless. Your support of the *Swing Into Spring* celebrity fashion show was sunshine to the event and the promise of a better life to the homeless children who are in our care. Thank you for making April 30, 2002 a wonderful, purposeful day.

As I write to you, we are nearing the \$100,000 mark, and we anticipate additional responses. These are dollars that will ensure that the Children's Critical Care Program will meet the needs of each and every child living in our family facilities, providing them with all the ordinary things of life and some that are extraordinary as well, like a week at Camp Good News where the children have experiences they could only imagine — horseback riding, boating, tubing, mountain biking and so much more.

What's more, since this is a time of recovery for us and for the nation, we are especially grateful for your partnership and encouragement in our work. We suffered significant losses in resources over this last year, and rebounding has been a challenge. But because of wonderful people like you, who through events like the fashion show help us in our commitment to serve the less fortunate and assist them as they rebuild their lives, we are moving forward with great hope for the future.

Thank you for making all this possible. Thank you for caring about the little ones who are treasures of the Lord and the future of our nation – the world. May He bless you richly for your kindness, compassion and generosity.

Dear Ms. Criswell:

Please accept, and convey to the Board of Directors of the Robert R. McCormick Tribune Foundation, the sincere thanks and appreciation of the entire staff and Board of Directors at Spaulding for Children for WB39 Cares for Kids Fund's generous grant of \$15,000 to sponsor the WB 39 Holiday Party, to be held on Saturday, December 7, 2002.

As outlined in our proposal, this event brings a much needed Holiday season boost for a sector of our community's population that often has little opportunity for celebration. These are the approximately 800 Houston area children who have been removed from their parents due to abuse or neglect, and can no longer return. Instead, they wait in the state's child welfare system for adoption into a new permanent and loving family.

Through the WB 39 Cares for Kids Fund, these extraordinarily disadvantaged children will have a much happier Holiday season in 2002. On their behalf, please accept our thanks again for your generous gift.

Dear Yolanda:

All of us at The United Way of the Texas Gulf Coast thank you and KHWB-TV Channel 39 for providing a sponsorship table for the 2002 Project Blueprint Commitment to Leadership dinner on June 6. This annual event makes it possible for us to recognize leaders whose contribution to the community is significant. We enjoyed a record turnout at the event this year, evidence of the growing interest in and commitment to diverse leadership in our community.

Our program this year was exceptional. Peter Diaz, President/General Manager of KHOU-TV Channel 11 served as the Honorary Chair and The Honorable Rodney G. Ellis, Texas State Senator, was the keynote speaker. He gave an informative and thoughtprovoking speech and encouraged all of us to continue to serve our communities. Dr. Dorothy Caram and Mr. Diaz recognized the nominees and the finalists, who are all winners. The five finalists were Roland Garcia, Yolanda Green, Rodney Nathan, Ezekiel "Zeke" Perez and Gordon Quan.

The highlight of the evening was when the 2002 Dorothy F. Caram Commitment to Leadership Award was presented to Roland Garcia, whose contributions have greatly impacted the Houston community. He has volunteered in leadership positions in many organizations and is currently serving as President of the Houston Bar Association.

Project Blueprint is a national diversity program designed to increase minority participation in leadership positions within the United Way and other nonprofit organizations. Your support is an integral part of making it possible to continue to provide strong, diverse leadership to the community. Dear Yolanda,

We just want you to know how very much we appreciate you for including the American Cancer Society spokespersons, Desiree Gonzalez and Manny Vazquez in your recent Outlook program on prostate cancer. It's great to know that we can count on our community partners like you to help educate Houstonians.

As you know, I'm still a newcomer to the American Cancer Society, so I really don't have a record (beyond this one program) of any other cancer related stories you may have produced in the last year . . . But, I do know from our brief meeting that you ARE concerned about the issue, so I'm taking the liberty of enclosing an application for the 2002 Texas Media Awards. I want to encourage you to enter the prostate segment or your favorite cancer program from the past year. The postmark deadline is July 5, and it would be great if we could present one of these awards to you this year!

Again Yolanda, thank you for the prostate segment. Please call if we can help you with anything else.

Sincerely.

Re: Television Guest:

Dear Yolanda:

Please accept my thanks and my sincere appreciation to you and TV-WB 39, for having our State President & CEO of Prevent Blindness Texas, Mr. Jim B. Hubbard on your Show "Outlook Houston." He was able to share with your viewing audience our annual "Light the Night for Sight" Walk-a-thon program.

The Prevent Blindness Texas "statewide" Walk-a-thon, raised more than \$121,000 during this special fund-raising event. We had hundreds of Texans, who were walking to preserve sight throughout Texas during the 4th of July celebrations. We strongly believe that many of the firework injuries that occur annually during our nation's Independence Day Celebration (which totals approximately over 11,000 injuries), were drastically reduced because of your direct support of your show, in getting this important message out.

Yolanda, your professional work as the Community Relations Director and" Outlook Houston"WB-Channel 39, Television Station, has a very positive far-reaching effect on our communities. Keep up the good work and thank you for joining Prevent Blindness Texas, in improving the quality of sight for all Texans.

Sincerely,

Steve L. Shanklin Executive Director

Fregrending to the needs of the homeloss by providing opportunities for them to change their deep and thence their deputy and softward. Dear Ms. Green:

On May 4th, Houston's finest came together to our Fifth Annual "Celebrate the Children." And what a party it was – from The Neville Brothers to a BMW giveaway – it was a night to remember!

Thank you for your generous gift to this special event that will benefit both SEARCH's Children's Services and WB39 Cares For Kids, a fund of the McCormick Tribune Foundation. As most of you know, the McCormick Foundation will match WB39 Cares For Kids share of the event revenues at a significant percentage, thereby increasing the funds that will be available for SEARCH's children's services. We commend WB39 Cares For Kids not only for its support of SEARCH, but also for its tremendous support to numerous other charitable organizations in the Houston area.

SEARCH was able to raise over \$500,000 and had a reported attendance of 650. For this incredible success, we give full credit to our Gala Chairs, Anita and Gerald Smith and to our elite Gala committee.

SEARCH takes great pride in being recognized as the leading provider of homeless services in Houston serving over 10,000 men, women and children annually. With our unique and innovative programs, we are enabling this population to change their lives and enhance their dignity and self-worth. Our success rate is incomparable and is a direct result of our comprehensive services that range from job training to transitional housing and from health care to childcare through our House of Tiny Treasurers.

Thank you again for believing in SEARCH and in our mission to help the homeless rebuild their lives and become productive citizens of our great city. Without your support, these successes would not be possible.

The amount of your donation that exceeds the value of goods and services received is tax deductible to the fullest extent of the law. Both SEARCH and the Robert R. McCormick Tribune Foundation are 501(a)(3) organizations. The tax identification number for SEARCH is 76-0260403 and for the McCormick Tribune Foundation is 36-3689171.

Dear Yolanda:

On behalf of the many children and families served by The Children's Assessment Center, we would like to express our sincere appreciation for the donation of sixty (60) tickets to the Houston Astros versus the Atlanta Braves baseball game on Sunday, August 11th. Our clients and their families are ecstatic about this fun opportunity.

We are most grateful for your dedication to the children of Harris County who have been victimized by the horrible crime of sexual abuse and look forward to your continued support.

Ms. Yolanda Green KHWB-39
7700 Westpark Drive Houston, TX 77063

Dear Yolanda:

On behalf of Child Advocates of Fort Bend County I want to thank you for committing to sponsor our **2002 Annual CASA Gala**. Your generous Ruby Sponsorship of \$1500 is greatly appreciated.

At this time I would also like to update you on the progress that the gala committee has made. From this year forward the event will be known as the *Annual CASA Gala*, with a new theme announced each year, symbolizing travels to exotic, faraway locales. This year our adventure will take us to the Orient. Along with exquisite dining and dancing, there will be bidding fun at the auction with U.S. Majority Whip Tom DeLay. As celebrity Master of Ceremonies, WB39's News Anchor, Alan Hemberger, will also lend his talents to the occasion. With all this excitement, the evening is already shaping up as one that will be not only festive, but also enchanting and memorable.

This letter will verify our receipt of your check number 582784. The fair market value of benefits received will be mailed following the event. Should you need additional information in the meantime, please contact me at 281-341-9955, ext. 234. Without our great supporters, such as **KHWB-39**, we would not be able to continue the services we provide to the little ones who are hurt by the hands they trust the most. With your help we can turn the hurt into hope. We are truly grateful for your support.

In appreciation,

Yolanda Green, Community Relations Director WB 39, KHWB 7700 Westpark Drive Houston, Texas 77063

Dear Yolanda,

Please express to the general manager and to all of the staff of WB39 the gratitude that we feel at McNamara Elementary for their generous donation of school supplies again this year. It makes a great difference in the attitude and achievement of a child who can attend class knowing that he will have his essential supplies. These school supplies will mean that some children will not have to be left behind as assignments are being completed on time. They will also mean that some parents will not be forced to choose between purchasing food or clothing and buying school supplies.

We thank you again, and please know that you are having a positive impact on the education and lives of many of our children.

Sincerely yours, aroly Apelars
